Invalidation of any one of the Covenants contained herein by judgment, court order, or for any reason shall in no way affect any of the other Covenants, all of which shall remain in full force and effect.

## **Article VI** **Covenant for Annual and Special Assessments**

### **Section 1. Creation of the Lien and Personal Obligation of Assessments**

Each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be expressed in any such deed of other conveyance, covenants and agrees to pay to the Association: (i) annual assessments or charges, and (ii) special assessments for capital improvements. Such assessments (collectively, the "Assessments") are to be fixed, established and collected as provided herein. Assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the Lot (Household) and shall be secured by a continuing lien which is hereby created and impressed for the benefit of the Association upon the Lot against which each such Assessment is made. Each such Assessment, together with such interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to any successors in title unless expressly assumed by such successors; however, the lien upon the Lot shall continue until paid.

### **Section 2. Purpose of Assessments**

The Assessments levied by the Association shall be used exclusively for the purpose of improvement and maintenance of the Areas of Common Responsibility and any property owned by the Association. Assessments shall include, but not be limited to, funds to cover actual Association costs for all taxes, insurance, repair, replacement, maintenance and other activities as may from time to time be authorized by the Board of Directors; legal and accounting fees, expenses incurred in complying with any laws, ordinances or governmental requirements applicable to the Association or the Property; reasonable replacement reserves and the cost of other facilities and service activities, including, but not limited to, mowing grass, grounds care, sprinkler system, landscaping, and other charges required or contemplated by this Declaration of Covenants, Conditions and Restrictions and/or that the Board of Directors of the Association shall determine to be necessary to meet the primary purpose of the Association, including the establishment and maintenance of a reserve for repair, maintenance, taxes and other charges as specified herein.

### **Section 3. Special Assessments**

In addition to the regular annual Assessment authorized above, the Association may levy, in any assessment year, a special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs incurred by the Association pursuant to the

provisions of this Declaration, provided that any such Assessment shall have the prior written approval of fifty-one percent (51%) of the outstanding votes, by Members at a meeting at which a quorum is present. Any special Assessments shall be prorated based on the period of time the Owner owns the Lot during such year.

**Section 4. Notice and Quorum For any Action Authorized Under Article VI, Sections 3**

Written notice of any meeting called for the purpose of taking any action concerning Assessments shall be sent to all Members at least ten (10) days in advance of the meeting. At the meeting, the presence of Members or of proxies entitled to cast fifty one percent ( 51%) of all the votes entitled to be cast by the Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

**Section 5. Date of Commencement of Annual Assessments: Due Dates**

The obligation to pay regular annual Assessments provided for herein shall be paid by January 31 of each calendar year. Special Assessments shall be due and payable on date designated by the Association. No Owner may exempt himself from liability for Assessments by waiver of the use or enjoyment of any portion of the Development or by abandonment of his Lot.

**Section 6. Effect of Non-Payment of Assessments: Remedies of the Association**

Any Assessment provided for in this Declaration which is not paid when due shall be delinquent. If any such Assessment is not paid within thirty (30) days after the date of delinquency, the Association may assess a \$20 delinquency fee. An additional \$20 delinquency fee may be assessed for each additional 30 day period that the Assessment has not been paid. The Association may, at its option, bring an action at law against the Owner personally obligated to pay the same; or, upon compliance with the notice provisions hereof, place a lien against the Lot. There shall be added to the amount of such Assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include reasonable attorney fees, together with costs of action. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or in equity foreclosing such lien against such Owner, and the expenses incurred in connection therewith, including costs and reasonable attorney's fees shall be chargeable to the Owner in default. Under no circumstances, however, shall Declarant or the Association be liable to any Owner or to any other person or entity for failure or inability to enforce or attempt to enforce any Assessments. Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association but not to exceed the actual cost of preparing and filing or recording the lien and the release. The Assessment lien shall be in addition to and not in substitution for all other rights and remedies which the Association and its successors or assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid Assessments, as above provided. The sale

or transfer of any Lot shall not affect the Assessment lien. No sale or transfer shall relieve such Lot from liability for any Assessment thereafter becoming due; according to the terms herein provided.
